LB 341, 772, 772A, 994

A communication from the Governor regarding LB 772 and 772A. (See page 1241 of the Legislative Journal).

Senator Vickers would like to print amendments to LB 341.

There will be a meeting of the Appropriations Committee upon adjournment in Room 1003. Mr. President, Appropriations upon adjournment in Room 1003.

Mr. President, the next motion I have to the bill is by Senator Remmers. Excuse me, Senator Hoagland, I'm sorry, Senator, excuse me.

SENATOR HOAGLAND: I would like to have that amendment printed and will reserve it for Select file, Mr. President.

PRESIDENT: Very well. Next amendment.

CLERK: Senator Haberman would like to move to amend, Mr. President.

PRESIDENT: The Chair recognizes Senator Haberman.

SENATOR HABERMAN: Mr. President and members of the Legislature, I talked to Senator Vickers about this amendment. He has no objections to it. On page 15, line 4, it says "credit hours shall be core curriculum courses prescribed by the State Board of Education." I would like to change that, with your permission, fellow senators, to say, "credit hours shall be core curriculum courses which shall include Vocational Educational Courses." Then it goes right on the way it was before. We just put a bill across here boosting vocational educational courses with a big A bill to it and the vocational courses are important to many, many students. It won't louse up the whole bill and I would ask for your support to add that amendment, Mr. President.

PRESIDENT: Is there discussion on the Haberman amendment? Senator Vickers.
